## Boulder Times

### A History of **FATHER'S DAY.**

In 1909, a woman from Spokane Washington, Sonora Dodd, one of six children who were raised by a widower, tried to establish an official equivalent to Mother's Day for male parents. She went to local churches, the YMCA, shopkeepers and government officials to drum up support for her idea, and she was successful! Washington State celebrated the nation's first statewide Father's Day on June 19<sup>th</sup> 1910

Today, the United States honors fathers on the third Sunday of June. In other countries – especially in Europe and Latin America, fathers are honored on St. Joseph's Day. A traditional Catholic holiday that falls on March 19<sup>th</sup>.

In 1966, President Lyndon Johnson signed a proclamation calling for Father's Day to be celebrated on the 3<sup>rd</sup> Sunday of June.

In 1972, President Richard Nixon Signed a permanent recognition of Father's Day into law

- According to Hallmark, Father's Day is the fourth-largest card-sending occasion with 72 million cards given every year.
- According to the U.S. Census Bureau and the Bureau of Labor Statistic, one of the fastest growing groups in the United States are stay-at-home dads; they now number 214,000 men.
