### Halloween Fun Facts

#### 1. Candy Corn was originally called Chicken Feed

- a. Created in 1880 by George Renniger, it was sold to the masses by Goelitz Confectionery Company (now Jelly Belly Co.) at the turn of the century. Because corn is what was used to feed chickens, the creation was called Chicken Feed and the box was marked with a colorful rooster.

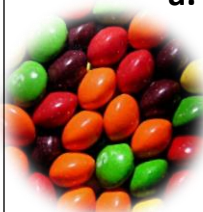

#### 2. The most popular children's costumes are princesses and superheroes

- a. Adults are most likely to dress as witches, according to the National Retail Federation. The most popular costume for dogs in 2018 was a pumpkin

#### 3. Skittles are the top Halloween Candy

- a. The bite-sized candies outranked M&M's, Snickers, and Reese's Cups, according to 11 years of sales data from CandyStore.com. Candy Corn also made the top 10, even though it was ranked among the *worst* Halloween candies, according to a CandyStore.com survey.

## EMPLOYEE OF THE QUARTER Noemi Phathaem

Noemi was nominated by several of her co-workers because of her positive, fun, loving and helpful nature. She is always available to tenants and their families to help when needed.

“Noemi is always smiling and happy no matter what is going on”

She is always finding ways to keep busy, whether it is helping another staff member, or spending one-on-one time with the tenants to make sure they have a great day. She is dependable, punctual, and always willing to pick up shifts when needed.

Boulder Creek is so incredibly lucky to have a team member like Noemi!

Thank you, Noemi, for all of your time, dedication and loyalty to Boulder Creek and its' tenants. You make everyone's day just a little brighter 😊

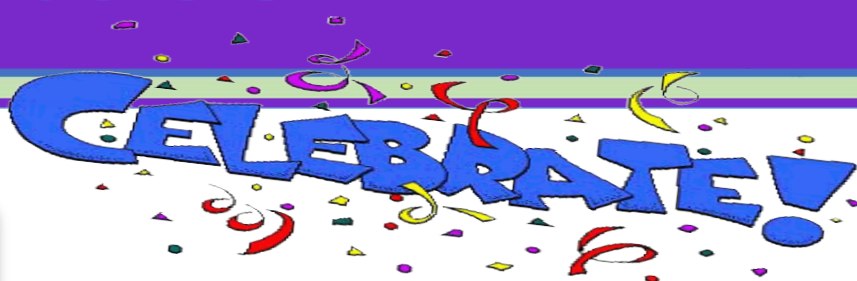

## Boulder Creek Reminders

- Desiree, Housing Manager at Boulder Creek, will be going on maternity leave sometime in November. During this time, there will not be a newsletter. Other staff will continue to make up the monthly activity calendar, and it will be available at Boulder Creek
- **TRICK-OR-TREATING!** – Halloween is just around the corner. As always, October 31<sup>st</sup> will be a fun day here at Boulder Creek! We typically have around 150 kids stop by for trick-or-treating. Unfortunately, we are not able to supply candy for all of our tenants to pass out. If you would like your loved one to pass out candy on Halloween, please drop their candy at the housing managers office before the 31<sup>st</sup>.

Trick-or-treating will start at 3:30 for staff and families. Please feel free to come join us in the fun!

- The activities girls are working on a fun craft project for this fall that will require some small pumpkins and gourds. If you have any extras that you are willing to donate, the tenants will be using them later this month to make some decorations for their apartments!
