V THE SOCIAL ISTA

HAPPY ST. PATRICK'S DAY!

The actual color of St. Patrick is blue. Green became associated with St. Patrick's Day during the 19th century.

90% of Americans celebrate St. Patrick's Day.

St. Patrick did not actually drive snakes out of Ireland; the "snakes" represent the pagans that he converted to Christianity.

The very first St. Patrick's Day parade was not in Ireland. It was in Boston in 1737.

According to lore, Patrick used the three leaves of a shamrock to explain the Christian holy trinity.

Many bars in the United States, and abroad, serve green beer to celebrate St. Patty's Day.

Recent Employee Spotlights

EMPLOYEE SPOTLIGHT

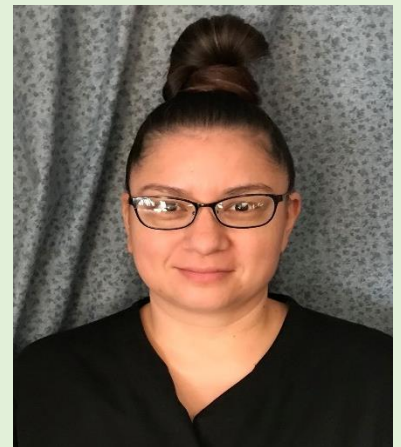

Jennifer Aviles

Jennifer is fairly new to the Boulder Creek family, but she has made quite an impact since her start with us at the beginning of February. Jennifer can most often be seen working the day shift. Co-workers describe Jennifer as being patient, awesome, easy going, caring, reliable, helpful and compassionate! We are so grateful to have her as an addition to our team.

Employee Spotlight Nancy Vigil

Nancy is one of our most committed employees, a team member at both Boulder Creek and Boulder Estates since 2017. Nancy often flies under the radar, as she most often works Overnight Shifts. Nancy's incredible work ethic, strong leadership and tenacious spirit never goes unnoticed, though. She is a favorite amongst her coworkers, and we can always rely on Nancy for a good laugh. She provides our tenants with an exceptional level of care, and we cannot say Thank You enough to Nancy for choosing us!

Employee Spotlight Addy Schaefer

Addy is one of our longest standing employees, as she has been with us since April of 2015, almost 5 years. Addy specializes in jumping in anywhere that she is needed! She puts in a lot of hours between Boulder Creek and Boulder Estates, and we can always depend on her – and we are so thankful for that!! Addy is currently pursuing her LPN, and we are grateful that she has chosen both Boulder Creek and Boulder Estates to be her “Stepping Stone” along her nursing career path!

Thanks, Addy for all that you do.

Hey Boulder Creek Families, I'm back!!

This is my daughter Brenna, she is now 15 weeks old, and has quite the personality! She has already been to Boulder Creek to visit a few times, and we love seeing the smile she brings to the tenants faces!

I am so excited to be back, and can't wait to see what Boulder Creek can make of the year 2020!

Boulder Creek Updates

Beauty Shop – As you may have noticed on the new March Activity Calendar, we have taken the Beauty Shop off of the schedule. We have done this to spare some anxiety for some of our tenants who get a little over excited about the beauty shop! – Rest assured, Tuesdays are still full of beauty shop fun!

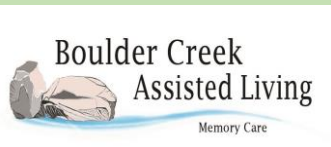

Respite Room – Due to a high need for Memory Care rooms in Marshall, we have decided that we will no longer set aside a room for respite. There will now be 16 full time tenants in the South Neighborhood! If a family member is ever wanting to stay the night, Boulder Estates has rooms that can be utilized by families.

3rd Activities Assistant – We are looking to hire a 3rd activities professional to join our amazing Boulder Creek team. If you know anyone that may be interested in working part time in an extremely rewarding career, please have them call Desiree at 507-401-3637.

Requesting Donations – We have a large number of VHS movies, and no VCR player. But on the other hand, we have several DVD players, with a limited number of movies on DVD. If you have either of these items that you don't use, and would like to donate to Boulder Creek, we would greatly appreciate it!

REMINDER – Toiletries – Please make sure to be checking that your loved one is stocked up on toiletries, such as lotions, shampoo conditioner, and toothpaste! It is happening more and more often that our tenants are running out of essentials. Thank you for your help in making sure our tenants have what they need!

2020 Edition

March

A request for Kristi –

As I am starting to hear the birds chirping outside my window in the morning, I'm dreaming of Spring! Spring always gives me a little more pep in my step and I usually tackle some of that deep cleaning that I have avoided all winter. Please consider stopping in to your loved one's room this Spring (or anytime) to do a little "spring cleaning". Closets and cupboards become collection areas for things that are no longer used or needed. Just a reminder that there should be a purple Boulder Creek bag hanging in the closet. Staff uses this bag for placing items that we'd like you to take home. Items that are too small, in need of repair or are not needed anymore. Thank you for keeping your loved one's room looking nice! We appreciate each of you! Happy Spring... soon. 😊

I WILL

When you forget I will remember for us both

When you get lost I will find you

When you are sad I will be sad with you

When the fear comes I will comfort you

When you cry I will dry your tears

When you lash out at me I will not be angry

When you repeat I will have patience

When you forget my name I will understand

When you cannot eat I will feed you

When your legs fail I will carry you

When you long for home I will be your safe place

When your journey is ending I will be by your side

I will love you for eternity,

I Will...
